NO ONE KNOWS ABOUT PERSIAN CATS

(Iran 2009 Bahman Ghobadi 101 mins.)
Farsi w/ English subtitles

In a country on the edge of revolution, come the new voices of protest. "NO ONE KNOWS ABOUT PERSIAN CATS" is a terrific and enlightening film about a world we thought we knew. Iranian director Bahman Ghobadi ("Turtles Can Fly" - VFS 2010) takes us on a journey with two young Iranian musicians, Negar and Ashkan, as they hunt around Tehran for the new band members and black market passports and visas that will enable them to get to London for a concert and, most importantly, get away from Iran for a much-needed taste of the outside world.
